

## Zero Tolerance

Welcome to Danvers Indoor Sports (DIS). Safety and Sportsmanship are at the top of our priorities. Supporting that priority is to hold each and every visitor accountable for their individual behavior at DIS.

Any aggressive play, fighting, or verbal abuse by any coach, player, or guest will result in an immediate dismissal and will be subject to further review by Danvers Indoor Sports.

Contact persons must set a good example by abiding by all rules and regulations set by Danvers Indoor Sports. Contact Persons are expected to reiterate this policy among their respective group(s).

Danvers Indoor Sports expects that all of its participants conduct themselves in a positive manner during their visit at Danvers Indoor Sports.

These expectations include:

Treating others with the highest respect and only expecting that respect reciprocated

Positively reinforcing and supporting those around you

Avoiding negative or detrimental situations

Respecting house rules and policies as you would expect in your own home

Be patient and understanding when communicating with Children

Respect an official's duty; Respect officials without necessarily agreeing with them at all times

Any behavior that falls short of these expectations are quickly assessed and reviewed. Actions are taken swiftly. If negative situations require further inquiries, that action is taken.
