

Today's Athlete and Tomorrow's Champion

Danvers Indoor Sports Men's Basketball League Rules

League Structure:

1. Games are planned to start at the scheduled time. Teams will have a maximum of 10 minutes after game time to have their teams ready to play or forfeit the game.
2. Game length will be two 20-minute halves. The clock will run for the first 18 minutes of each half, only stopping for timeouts or injuries. The clock will stop in the last 2 minutes on a shooting foul, non-shooting foul, timeout, injury, or if the ball goes out of bounds. The clock will remain running on a made basket in the last 2 minutes. There will be a three minute break between halves.
3. If the total team fouls exceeds 10, there will be two shots. There will be no 1 and 1 on 7 fouls. If a player receives 6 Personal Fouls, they are disqualified from the game. If a player receives 2 Technical Fouls, they are disqualified from the game.
4. Each team will have 3 time-outs for the entire game. Teams can only call 2 timeouts per half. If a timeout is called (not under 2 minutes in the half) the clock will start back up once the shooter has the ball in their hands.
5. You must have at least 4 eligible players to start a game. Players must play in at least half of the regular season games to be eligible for the playoffs.
6. Substitutions will check-in at the scorer's table and wait for a dead ball and the official to wave in.

7. Shirts are required for each team member, and must be numbered on the back. Each team is responsible for getting their own shirts or jerseys. For each starting player that does not have a number on their jersey, 2 free throws will be taken by the opposing team before tip-off. The teams must get the attention of the referee to enforce this rule and to be awarded free throws.
8. If regulation time ends with a tie score, a 3 minute overtime period will be played. The clock will run except for the final minute of overtime. If the score remains tied, additional overtime periods will be played as needed. Each team will receive an additional time-out for overtime.
9. Teams may not add new players to their roster after the fourth league game. Prior approval from Elliot Bresnahan or Josh Lewis is needed before a player can be added after the cut-off. Approval may be given in the best interest of league play due to an injury or other uncontrollable circumstances.
10. Semi-Circle blocks will not be called for now. This may change in the future but for now these will not be called. We will let all referees, teams, captains, and players know if we change this.
11. The full league fee is due Friday by 12PM after your 2nd game. If you have not paid in full then we will be tacking on a \$50 charge to your team invoice.
12. Stats will be provided for this league. We do not want players to complain about stats. Only the captain of each team is allowed to talk to Elliot Bresnahan or Josh Lewis regarding discrepancies with stats. Stats will be posted by Wednesday following Monday games. Teams will have 24 hours if they have any issues with them. If stats are not posted by Wednesday, teams will still have 24 hours to discuss any issues.

24. Only players that are on the current roster are allowed on the benches. If your name does not appear on the printed roster, you cannot be on the bench. Prior authorization for bench access needs to be confirmed with Elliot Bresnahan prior to the game.
