

Coach's Checklist 2022/23

You will need the following information to properly register your team for the upcoming indoor season.

1.) Roster Management

Your team will need to be properly registered by the first game. Through our website, you can create and manage your team's roster. All information including phone contact, date of birth, and email addresses are required for each player. Online waivers will be completed by the parent upon registration. Their registration will begin when you, the coach, invite the "participants" to join your team online.

You have up until the third game to make any revisions. Any "add-ons" after the third game will need approval from a league director.

I have completed the online registration for my team.

2.) Age Verification

As the coach, your responsibility requires that your team is properly registered and is age appropriate. Each player you register must prove age eligibility via COPY of legal date of birth record in the forms below:

State Issued Birth Certificate, Passport, ECYSA Player Card*, ECYSA Issued Team Roster*

*ECYSA is not responsible to furnish these records

I collected all D.O.B. records for my team and will submit these copies to DIS prior to the first game.

DIS does not retain these records. Proof of age will be returned immediately after validation

3.) Heads-Up Concussion Awareness

As a coach, it is mandatory that you have either completed the CDC "heads up" concussion training or have completed the "Heads-Up" concussion awareness program that is available to you online.

[Nfhslearn.com](https://www.nfhslearn.com) - Concussion in Sports elective course - FREE

I have completed the online concussion awareness course and will submit my certificate of completion to DIS prior to my first game

4.) First Aid Kit and Hand Sanitizer

As the coach, it is required that you have on hand, a first aid kit in the event one of your players suffers an injury. DIS does not provide first aid supplies such as band aids, ice packs, athletic tape, or ace bandages.

I will provide a first aid kit to my team, and will bring it to each game throughout the winter

5.) League Fees

As the coach, you are responsible to collect any and all outstanding league fees due to DIS. It is your responsibility to track payments made regarding your team to DIS.

I have collected all fees pertaining my team and will submit them to DIS prior to the start of our third game.

It is your responsibility to complete the items above. Failure to complete these items may exclude your teams eligibility for play. Please remember to consult your rule book and coaches reminder sheet, for a complete guide to understanding what is allowed and expected at DIS. Please inform your parents that we encourage only positive reinforcement during competitive play and a "Zero Tolerance" policy is highly enforced
